# PLEASE COME TO THE CHESTNUT STREET FIREHOUSE ON AUGUST 10 AT 7 PM

**On Wednesday, August 10, at 7 PM** at the Chestnut Street Firehouse, you are invited to attend the third meeting of the Nassau East Neighbors to learn what has been and may be happening on the Olive May-West Coast Video sites.

If you wish to re-read the findings and the transcripts of what has been said earlier, please go to [www.princetonfuture.org](http://www.princetonfuture.org).

For the 2010 polling results, conversations and the Rutgers Urban Design Studio findings, click on "Olive May".

For the 2002 presentation to Boro Council on the result of 2 PF Workshops, click on "Zone 5".

Representatives of the owners of both sites have accepted our invitation to be in attendance. Linda Fahmie will present the plans to re-develop the Olive May site that have recently been filed.

PF will have a presentation and a 3-dimensional model of this area as well.

All neighbors welcome.

Please come if you can!
